### 2020 J. De Villebois Sancerre Rose (M) – Score: 90 (QPR: GOOD)

I had heard rumors about this wine but they were all wrong – this is a lovely wine! The nose on this Pinot Noir Rose, is crazy fun, with intense mineral, loads of tart strawberry, rosewater, cherry, flint, limestone, and lovely floral rose petals. The mouth on this medium-bodied rose is screaming with acid, the acid hits you and it never leaves, but it is not a one-trick pony, the wine is balanced with ripe fruit, strawberry, peach, lavender, watermelon, intense mineral, more of the limestone, slate, and smoke, with rich saline, pink grapefruit, and intense acid that goes on forever. This wine is super refreshing, tart, fruity, balanced, and really fun, Nice!! (tasted May 2021)
