J. DE VILLEBOIS

Pouilly-Fumé 2022

Score: 90 | \$33

WS review: A herbaceous version, with a deep vein of verbena and cooling alpine herbs as richness moves in, showing smoke and white mocha notes. There's a pleasingly bitter cut to the taut finish, which offers flint and lime zest accents. Drink now. 3,500 cases made, 3,500 cases imported.—*K.B.*
